><p><strong>Chapter 1<strong>

**\*\*(Riku's pov)\*\***

**\*\*FlashBack \*\***

"Sa~| .ya" I called out "HEINE!"

"Whats wrong Nii-san, do you hate me if you do then good hate me more, grow more powerful and try to kill me"

"HEINE!"

"See you Nii-san"

**\*\*Flashback End\*\***

"UGHHH. Tch I dreamt It again. Sayaâ€¦."

I woke up and got ready from school. When I entered the School gate and I saw my childhood friend Issei Hyoudou and his other two perverted friends also known as the perverted trio in this school, being chased by girls. I laughed and walked to class

\*\*(Rias's pov)\*\*

"Who's that Akeno?"

"That's Yamato Riku he's in our class"

"Oh I've never saw him in class before"

"Ara Ara How mean Rias"

"Shut up Akeno"

\*\*(Riku's pov)\*\*

After school it was about six while I walked down the road I saw a girl cosplaying as a magical girl twirling around.

"Hey you shouldn't be out here dressed like that at this time of hour. What are you doing anyways?"

"Okay and I'm Waiting for my sister."

"Okay then be careful."

I walked away and while walking I saw Issei and a girl. The next thing I saw shocked me, the girl threw a spear of light at Issei killing him instantly.

"Tch, Damn Fallen Angel"

I ran towards where Issei and the girl was.

"What do you think your doing Fallen Angel"

"Oh Looks like you know what I am"

"I don't know what you did to my friend but you won't escape"

"Look at you thinking your all high and mighty"

"Râ€¦.iâ€¦ku"

"Issei, hey hang in there."

"Behâ€¦.iâ€¦ndâ€¦..y..ou"

"Wha-"

I got stabbed by the Fallen Angels Spear of light. I didn't feel any pain since I was immune to holy powers, but I was inside my chest. I coughed up blood before falling to the ground. Then the Fallen Angel flew away.

I saw a magic circle appearing and saw someone come out of it I couldn't make it out since I was very weak.

"How unfortunate" The voice said "To end up in such a way maybe I will."

"Ah~! I knew we would meet again, but to be in such a awful sate" A second cheerful voice shouted

"W-What are you doing here?!" The first voice said

"Sorry Rias-Tan but this one here is mine" The second more cheerful voice said

"Y-You're going to-!?"

"I am.His life belongs to me now."

After that I fainted.

\*\*\*The Next day\*\*\*

When I woke up I was in my bed

"Ugh, what happened. Oh shit Issei"

I tried to get out of bed but something was clinging on to me. I looked under the covers to see the same girl I saw yesterday outside the school. The next thing I realized that I was naked.

"This girl she couldn't be"

I poked her cheek to wake her up but all I got was a "mhhh" Then I started shaking her body violently.

"WAKE UP!"

"Alright alright I'm awake"

"What's your name"

"Huh?"

"What's your name"

"Oh its Serafall Leviathan"

"I knew it" I said to myself

"Now its your turn"

"Huh?"

"Its your turn to tell me your name"

"Its Yamato Riku, Leviathan-Sama"

"Oh do you know who I am?"

>"Wouldn't all devils know who you are"<p>

"Oh so you know about devils? How?"

"Cause I'm from the Yamato Household that was destroyed 10 years ago."

"Your from the Yamato Household?"

"Yes why?"

"You might be my servant now"

I sighed but then I was at least grateful to be alive and to be a servant of Serafall Leviathan.

"What piece am I"

"Oh your my big strong Queen"

"Queen, out of all the pieces it had to be Queen"

"Well that's what your body could only accept"

"So what would Serafall Leviathan-sama want with me"

"Call me Sera-tan"

"Why"

"Because your Master says so"

"Fine, What would Sera-tan want with me?"

"Better~ Well since you were nice to me yesterday I thought I could repay the favor"

"Well can you put on some clothes now please"

"Fine"

I got ready for school when Sera-tan walked up to me

"What is it"

"I'm coming with you"

"Why?"

"Because I want to meet my sister Sona Sitri"

"You mean the school council president?"

"Yep~"

"Alright"

While walking to school Sera-tan put my hand in between her breasts.

"What are you doing?"

"Hugging Ri-tan's Arm"

"D-don't call me that it makes it sound like I'm a girl"

"Aw how cute"

"S-shut up"

When I entered the school gates with Sera-tan still hugging my arm, I was getting death stares from all the guys. I went to find saji to meet Sona.

"Hey Saji"

"What is it Riku-Sempai"

"Where's Sona kaichou"

"Why?"

"Her sister wants to meet her" I said pointing at Sera-tan

"A-alright follow me"

"Ok"

"She's right inside"

"Alright thanks saji"

"No problem sempai"

"Just call me Riku"

Sera-tan then ran  
inside

"Sooooooooooooooooo-tannnnnnnnnnnnnn~"

"Onee-chan?"

"Soo-tann~ I miss you so much"

"Yo"

"Riku? What are you doing here"

"Sera-tan asked me to take her to you"

"Sera-tan? Wait Onee-chan You didn't?"

>"I did. I made Ri-tan mine~"<p>

"Ya I'm Sera-tan's Queen even tho I was a Devil before she revived me"

"Wait you were a Devil before Onee-Chan revived you"

"I am or was from the Yamato Household that was destroyed 10 Years

ago."

"You were?"

"Yes I was"

"Stop Ignoring me~" Sera-tan pouted

"Sorry"

"Mou~"

Then another person arrived

"Sona"

"Rias? What do you want now?"

"Hi Rias-tan~"

"Serafall-sama?!"

"Hehe"

"Hey Rias"

"Riku?!"

"I'm guessing that you revived Issei yesterday"

"Yes"

"Thank God"

"Why?"

"He's my childhood friend"

"Wait Riku I thought you said You were from the Yamato Household?" Sona Asked

"I am, but my family lived here for 3 years before going back to the underworld"

"Wait Riku Your from the Yamato Household?"

"Yes"

"MOU~ Your Ignoring me again" Sera-tan pouted again

"Sorry"

"Onee-Sama don't you think you have to go back now"

"Aww but I wanted to spend more time with Ri-tanâ€¦".

"I told you to not call me that"

"Whatever, Sona, Rias I'm trusting you with my Ri-tan."

Before Sera-tan left she hugged me for a minute and then left.

><p><strong>Chapter 2<strong>

\*\*(Riku's pov)\*\*

After Sera-tan left Rias took me to the ORC clubhouse together with Issei.

"Hyoudou Issei, we welcome you as a devil" Rias said

"W-what do you mean? Riku do you believe them"

"Issei its true. Their devil's and so are you"

"W-what do you mean, its hard to take it all in"

"Issei you're a Devil know and so am I"

"I still don't believe you, are you trying to prank me?"

After what Issei said Rias,Akeno,Kiba,Koneko and I grew our Devil wings.

"H-how did I become a Devil"

"You were killed last night by your 'girlfriend Yumma" Rias explained showing a picture of her to Issei

"Why did she kill me?"

"She killed you because you have a Sacred Gear"

Issei looked sad after what Rias said.

"You want to activate Issei's Sacred Gear right"

"Not only his"

"What do you mean"

"You have a Sacred Gear as well"

"Well then are you gonna tell Issei how to activate it?"

"Yes I am. Issei close your eyes and think of the strongest being."

"Ok. Strongest being, Son Goku from Dragon ball Z?"

"Good now I want you to mimic a pose of that person"

"Alright. Kame Hame Ha"

"Open your eyes"

"Wha-What's on my hand?"

"It looks like your Sacred Gear is a twice critical"

"You're wrong Rias"

"What do you mean?"

>"That's one of Longinus Sacred Gear's the Boosted Gear"<p>

"I-it is?"

"Yes yes it is. Well I guess its my turn now"

"Do you need me to explain it again?"

>"No I got It"<p>

I closed my eyes and thought of the strongest being that came to my mind

"Coordinator" I said softly

Then I felt something heavy from my back and something covering my hands. I opened my eyes to see what it was.

"Do you know what it is Rias?"

"No no I don't"

"Well its Arondight, Palma Fiocina and the wings of light."

"A-arondight? Isn't that a holy sword"

"This is a different type of Arondight"

I took the Arondight from the wings of light on my back and activated it. The blade unfolded, the hilts form and the beam formed as the blade of the sword.

"T-that's a big sword" Issei said

"Yeah It is"

"Then what's covering you hand"

"It's a beam canon and a beam shield Rias" I said activating the shield then showing some sparks coming out of the Palma Fiocina.

"And you're back?"

>"Rias Its best not to activate that in a small place like this"<p>

"Just show me anyways"

"Fine. Stand back"

Rias and the others stood back and I activated the wings of light.

"Those are very big wings"

"Yeah I know Issei"

"What now Rias" I said deactivating the wings of light and Arondight"

"If I remember Riku you said you were from the Yamato Clan"

"Yes I am"

"So you are a Pure-Blooded Devil?"

"Yes and no"

"What do you mean?"

>"I'm a half Pure-Blooded Devil"<p>

"Then what else are you"

"You have to promise that you won't freak out"

"I promise"

"I'm a Half Pure-Blooded Devil, a half Angel, a dragon and a coordinator"

"A half Angel, how?!"

"I don't know that much but I am a half Angel"

"You said you were a coordinator, what is a coordinator"

"A coordinator is a genetically enhanced human being, which can have a number of enhanced traits including faster learning, and stronger and faster bodies that are virtually immune to diseases"

"You're an interesting one aren't you"

"I guess I am"

"Riku you said you were also a dragon?" Issei said

"Yes and no"

"What is it now?"

"I am a dragon but I also have a or 2 dragons inside me"

"2!?"

"Yes 2 Issei, even tho I don't use the second one"

"Why?"

"I don't want to talk about that"

"O-okay"

"Rias if you're done I will take my leave now"

"Alright"

\*\*\*The next day\*\*\*

While walking to school I saw Issei talking to a nun but thought nothing of it. After school Rias called me to the clubhouse so I went there When I arrived I saw a injured Issei sitting on the couch

"What happened?"

"While Issei was going to make a contract he was attacked by a stray exorcist" Rias said

"I see"

Then a rock with a note flew inside the room breaking a window. Issei took the note and read it. Then he ran out the room.

"Issei!" Rias called out

Then I went out to follow Issei.

"Where are you going now?"

"Where else, I'm going to help Issei"

"Riku what would happen if you died?"

>"That won't happen I only got killed by the fallen angel because I wasn't paying attention"<p>

"Just be careful, if you died I wouldn't know how to explain it to Serafall-sama"

"I will"

When I caught up to Issei, I walked with him entering the church.

"Be careful Issei, remember that holy powers can kill you"

"What about you Riku"

"I'm immune to it. Now get your Sacred Gear Ready"

"Alright"

Issei and I activated our sacred gear and we went down a set of stairs that had light coming out of it.

\*\*(Issei's pov)\*\*

When Riku and I reached the end of the stairs, I saw Asia chained to a cross and Raynare or Yumma next to her.

"Looks whose here" Raynare said then she noticed Riku.

"You're alive too?"

"Got a problem with that?"

"Hmp, get em boys"

Suddenly other exorcists came out of the shadows and surrounded Riku and me.

"Issei go save your friend I'll deal with these little shits"

"Thanks"

\*\*(Riku's pov)\*\*

As Issei ran to help his friend and I went to take on the shitty exorcists. I swung the Arondight at the exorcists slicing them in half and used the Palma Fiocina to explode some of their heads. Then two people appeared behind me, I looked behind to see Koneko and Kiba.

"Rias-buchou send us here to help"

"â€|.Go Sempaiâ€|."

"Alright"

When I went to back up Issei he was teleported upstairs with his friend and the fallen angel. I went upstairs to meet them.

"Issei!" I called out

"Riku?"

"I got your back, now lets kick that fallen angels ass"

"Hell Yeah"

"Haha, you two are already too late"

"ASIA!" Iseei yelled

The fallen angel took out Asia's Sacred Gear.

"Do you know that if a Sacred Gear user's Gear is removed or

destroyed their killed. Hahahaha"

"You bastard!"

"Say what you want, her Sacred Gear is mine now" the fallen angel said putting Asia's Sacred Gear inside her

"Dammit! BOOSTED GEAR"

Issei summoned his Boosted Gear and charged at the fallen angel. The fallen angel threw multiple spears of light at Issei but Issei didn't stop even tho it stabbed him.

[BOOST]

Issei's Sacred Gear boosted his power and Issei punched the fallen angel who lost in one punch. Then Rias appeared and admonishes Raynare for both underestimating Issei's Sacred Gear and for the unforgivable act of harming one of her slaves. Raynare then changed into her human form and begged Issei to save her.

"Buchou, please end it I can't take it anymore"

"Fallen Angel Raynare for hurting my precious servant you shall pay the price"

Rias then killed Raynare, Rias then put back Asia's Sacred gear and revived Asia as her Bishop. Then we all went back to the clubhouse.

"Issei from now on Asia will be living in your house"

"W-what?!"

"Don't do anything perverted to her Issei" I teased

"Shut up Riku!"

"Alright alright calm down"

\*\*\*Riku's House\*\*\*

When I came home I saw Sera-tan in my bed. I smiled and got under my bed covers and hugged Sera-tan going to sleep.

\* \* \*

><p><strong>Author's notes: That's a wrap for this chapter. I know I kinda finished the fallen angel arc really fast but I will write other chapters before starting the Riser arc. I also decided to add Xuelan to Riku's harem, the harem suggestions are still open so pm me for a suggestion.<strong>

**\*\*\*Riku's house\*\*\***

**\*\*(Riku's pov)\*\***

When I woke up I was still hugging Sera-tan.

"Hey wake up"

"Mmmmm"

I kissed Sera-tan's forehead to try to wake her up

"Wake up please"

"Kiss me again" Sera-tan said softly

I sighed and kissed her forehead again.

"Alright I'm awake now" Sera-tan said cheerfully

"Baka"

"Hehe"

Sera-tan hugged me even more

"How is my favorite Ri-tan doing"

"I'm doing fine Sera-tan"

"I'm gonna go downstairs"

"What are you going to do its Saturday?"

"I'm going to cook breakfast"

"Ri-tan can cook?!"

"Yes, you should wake up now"

"Fine"

I went downstairs to cook breakfast. I cooked bacon, eggs, sausages and toasted some bread. I put them on a plate and gave it to hungry looking Sera with stars for her eyes. Sera took a bite from the food and her eyes sparked up even more.

"Sooooooooooooo gooooooooooooood~!"

"Don't eat while talking or I'll take your food away"

"Okay~" Sera said eating more

After finish eating, I washed the dishes and took a shower. I came down to see Sera-tan watching tv.

"Aren't you suppose to be in the underworld"

"I finished all my work so I got 2 weeks off"

"So you decided to spend time with me?"

"Yep~"

Then Sera ran up to me and hugged me.

"So what do you want to do today?"

"I don't know, I'll do whatever you're gonna do"

"Well I'm going to the Underworld"

"Why?"

"I'm visiting my family's grave"

"Ohâ€|. I'm sorry"

"Its okay you're coming with me aren't you"

"If its okay with you"

"Yeah it is, lets go now"

I opened a magic circle and went inside with Sera. When we arrived we walked to my family's grave.

"Otou-san, Oka-san, Saya how are you feeling? Of course you can't answer me that but I hope you all are feeling great."

Sera just looked at me with sad eyes.

"Sera-tan its okay"

"If its okay with you can you tell me how they died?"

>"My younger brother killed them"<p>

"Your younger brother?"

"Yeah. He killed my Otou-san, Oka-san and my younger sister. He cut off my right arm and left me"

"Then what happenedâ€|"

"Sirzechs found me and took care of me until I was 14 and I moved here"

"Ohâ€|. I'm sorry for what happened to you"

"Its okay Sera-tan" I said hugging her

After that we went back home.

"What do you want to do now Sera-tan"

"I want to snuggle with my Queen"

"Alright"

We went to my room and got on the bed and Sera started to hug me.

"Are you going to sleep again?"

>"Maybe~"<p>

"You're so lazy sometimes"

"I know"

After a couple of minutes we slept.

\*\*\*Night Time\*\*\*

"Ughh what time is it?"

I looked at the clock in my room and it read 7. I slowly got out of Sera's hug and went down to cook dinner.

\*\*(Serafall's pov)\*\*

When I woke up Ri-tan was gone, I went out the room and smelled something delicious. I went downstairs to see Ri-tan cooking. Then Ri-tan noticed me.

"Sit down dinner will be ready in a minute"

"Ok~"

When Ri-tan put down the food there was chicken, fish, vegetables, potatoes and soup.

"Eat slowly OK"

"Okay~"

I started digging in slowly since Ri-tan told me to.

"Sera-tan eat more vegetables"

"I don't want to" I pouted

"Then no food for you" Ri-tan said taking my food away

"Ri-tan you meanie~"

"Are you going to eat your vegetables?"

>"Fine"<p>

"Good girl" Ri-tan said giving me back my food

After dinner Ri-tan cleaned the plates and I was watching Tv.

\*\*(Riku's pov)\*\*

I sat next to Sera who was watching Tv.

"What do you want to do tomorrow?"  
>"A date!"<p>

"If we're going on a date you're not wearing your cosplay outfit"

"But I have nothing else to wear" Sera pouted

"Then either borrow some clothes from Sona or we don't need to go on a date"

"Fine, I'll ask Sona"

"Alright" I said kissing her forehead

"One more"

"Ok" I said kissing her forehead again

"Now lets go to sleep"

"Ok"

\*\*\*The next day\*\*\*

I got ready for Sera and my date and waited downstairs for her. When she came down she was wearing a white top and a black skirt with her hair still tied in the twintail stlye.

"Is there something wrong Ri-tan?"

"N-no you look very cute Sera-tan"

"T-thanks" Sera said as we both were blushing

We went to a shopping mall and walked around.

"Where do you want to go first?"  
>"Well I guess I would want to go get new clothes"<p>

"Alright lets go"

We went to a clothes shop and Sera looked at some of the clothes. Sera took 4 pairs of clothes and tried them all on.

"How do I look Ri-tan"

"Y-you look cute Sera-tan"

"Alright then I'm gonna buy these then"

I paid for the clothes and we went out the shop

"Sorry for making you pay Ri-tan"

"Its alright" I said rubbing her head

"Where do you want to go now?"

"Can we get some Ice-cream?"

"Ok"

I bought Ice-cream for both of us and we started eating.

"Ri-tan there's Ice-cram on your face"

"Where?"

Before I could do anything Sera licked the side of my cheek

"W-w-what are you doing?!"

"I was cleaning your face"

"I can do it myself Sera-tan"

"Aww Ri-tan looks so cute when he's embarrassed"

"Shut up"

After another 2 hours we left the shopping mall and walked back home

"Did you enjoy yourself today Sera-tan"

"Yes~ Can we do I again"

"Next time"

"Is that a promise"

"Yes it's a promise"

"Ok~"

When we reached back to my house it was 7. I took a shower then forced Sera to take one as well. I went under my bed sheets and waited for Sera to finish. When Sera came in she was completely naked.

"W-what are you doing put some clothes on"

"I want to sleep naked with Ri-tan"

"Fine"

Sera hugged me and we went to sleep

"Good night Sera-tan"

"Good night Ri-tan"

\* \* \*

><p><strong>Author's note:That's a wrap for this chapter. I focused only on Riku and Serafall in this chapter but the next one will be

"Just a little race around the gym if your up for it"

"Sure"

"Ok"

I smiled and we got ready for the little race.

"Rias can you do a countdown?"

"Ok"

I closed my eyes and breathed slowly, Issei and Saji looked like they were going to dash right after Rias would say go. I laughed and closed my eyes.

"On you marks get setâ€¦GO!"

Issei and Saji ran ahead first.

"Ri-tan what's wrong"

I opened my eyes and ran.

\*\*(Rias pov)\*\*

I was amazed at Riku's speed. I looked around me and the others were also amazed. Issei and Saji had a head start but when Riku ran he caught up and passed them immediately.

"Is that the fastest you can go, Issei, Saji?"

"How fast can you go?" Issei and Saji said

"I'll show you" Riku said with a smirk

Riku then started to run faster and faster until Issei and Saji were far behind.

"So fast" I heard someone say.

I looked behind to see who it was and it was Serafall-Sama

\*\*(Riku's pov)\*\*

"Is that the fastest you can go?" I shouted at Issei and Saji

"W-w-what about you?" Issei said panting

Before I knew it I already reached the finish line.

"Oh looks like I won"

After I said that Issei and Saji stopped running and were panting like hell.

"J-just how fast can you run Riku?!"

"Well that was only half my speed I was using"

"WHAT!" Issei and Saji said with their jaws dropping

"It's the truth. Anyways about the game of dodgeball Rias?"

"Oh, yes lets start the game"

"C-can we at least rest abit?" Issei and Saji said together

"No" Rias and Sona said

\*\*\*Time Skip\*\*\*

After the game Rias won. Rias and the others immediately went to the familiar forest and Sona and her peerage left as well only leaving me and Sera in the gym. I then left the gym.

"Where are you going Ri-tan?"

"I'm going somewhere"

"Can I come?"

"Sorry Sera-tan, but this time you can't"  
>'Why not?'<p>

"You just can't"

"Please~"

"Sera-tan I'm going to heaven"

"H-heaven, Why?"

"I can't tell you more its important"

"Okayâ€¦".

"Don't worry I'll be fine. Your Queen is a half-Angel"

"W-what?!"

Before Sera could say anything else I teleported to Heaven.

"So Michael why did you call me here?"

"I wanted to check up on you"

"You know you can just call me right?"

"Oh I must have forgotten about that"

"Don't joke with me Michael"

"Anyways you know my sister Gabriel right?"

"Yes, why?"

"Well I was wondering if you like t-"

"My master would be angry If I did"

"Oh you have a master and who would it be?"

"Serafall Leviathan"

"I see, but maybe you coul-"

"No"

"Why not Riku, you know Gabriel has feeling for you"

"If I did go out with Gabriel, I don't know what Serafall will do"

"Alright"

"So I'll take my leave now"

"Wait just a minute Riku"

"What Is it now Michael?"

"Are you going to wake him"

"Michael I sealed him away In my body for a reason and I'm only going to wake up Astrea when the time is right"

"Alright then take care"

"You too"

After that I teleported home where Sera was watching Tv and noticed me.

"Did they do anything bad to you Ri-tan?"

"No they didn't, I was just talking to Michael"

"R-ri-tan what you said earlier to me?"

"Huh?"

"You said you were a half-Angelâ€¦ Is that true?!"

"Yes, its true"

"Why didn't you tell me earlier?"

"I thought you would freak out"

"I wouldn't. No matter what you are you'll always be my adorable Queen Ri-tan~"

"I guess so"

"So who else knows other than me?"

"Lets see Rias, Sirsechs, Grayfia, Michael and Gabriel"

Then Sera stared at me with killer intent.

"W-whats wrong?"

"How long have you known Gabriel?!"

"When I was 15"

"I hate you"

"W-what did I do"

"Hmp"

"Why do you hate her so much?"

"Hmp"

I sighed and hugged Sera giving her a kiss on her cheek.

"Hmp"

"You're really stubborn you know"

"Hmp"

I sighed and pushed my lips with hers kissing her. After I kissed her Sera was blushing a lot.

"I'm going to sleep now"

Sera hugged me from behind.

"What is it now?"

>"One more"<p>

"One more what?"

>"Kiss me again"<p>

I sighed and kissed her again, the kiss lasted for 40 seconds before I broke it leaving a trail of saliva.

"Lets go to sleep now, okay?"

"Okay" Sera said hugging me

Both of us got into bed. Sera was still hugging me from behind which made me feel uncomfortable.

"Sera-tan would you stop hugging me from behind?"

She let go and then turned my body facing her and hugged me again.

"Good night Sera-tan"

"I love you"

"I love you too" I said Kissing her forehead

><p><strong>\*Night\*<strong>

\*\*(Riku's pov)\*\*

Sera told me that she had to go somewhere so I was alone at home. It was already night so I got ready for bed. As I got on my bed the door open.

"Sera-tan I thought you had to go-"

It wasn't Sera that opened the door it was Rias.

"Rias what are you doing here?"

Rias then started to strip infront of me.

"W-w-what are you doing?!"

>"Make love to me"<p>

"What's wrong with you today?"

"Am I not good enough for you?"

>"Rias you're doing this for a reason aren't you"<p>

Before Rias said something a magic circle appeared behind us and a person came out.

"Rias-sama" the person said

"Grayfia?"

"Riku, what are you doing here?"

"This is my house"

"Anyways, Rias-sama are you trying to break the agreement by doing this?"

"Grayfia my purity is mine only and I can give it to whoever I want"

"Rias-sama you are the next heir of the Gremory Household, so please do not show your skin to a man, even more so if you are in this situation"

Grayfia then put on Rias's bra.

"Grayfia did you come here on your own? Or did the Household sent you, or was it Nii-sama?"

"All of them"

Rias then put on her clothes and left with Grayfia.

\*\*\*The next day\*\*\*

\*\*ORC clubroom\*\*

"I told you many times Riser I will not marry you!"

"Rias I've heard you say that a lot but that won't work, do you want your Household to disappear?"

"Kiba who is that?" Issei asked

"That's Riser Phenex, Rias's Fiance"

"WHAAAAAAAAAAAAAT!"

"Riser that is none of your concern! If I am the next heir of the Gremory Household, then I can choose who will become my husband!"

"Rias you're Otou-sama and Sirsechs-sama are worried. They are afraid that the Household will disappear"

"I know that and I am willing to take a husband"

"That's it Rias then lets-"

"But I won't marry you Riser. I will marry the one I want."

"â€¦.You know Rias I'm also a devil who holds the name of Phenex behind me. I can't get that name scratched. I will take you back, even if I have to burn all your servants!"

"Rias-sama, Riser-sama, please calm down. If both of you were to continue, then I won't be quiet about it."

"â€¦..To be told that by the strongest Queen, I would be afraid"

"Everyone such as the master, Sirsechs-sama and the people from the House of Phenex knew it would become like this. They knew it would be like this so they decided to make a last resort"

"Last resort, what do you mean Grayfia?"

>"Rias-sama if you wish to push your opinion further, then how about you settle this in a Rating game?"<p>

"A Rating Game?!"

"Are you saying you're not going to accept to participate in the game?"

"No. Alright then lets settle this by a game Riser"

"Hee, your accepting it? I don't mind. But I'm already a matured devil and I have already participated in the official game. Right now I have won most of the games. Even so do you want to play, Rias?"

>"I will. I will make you disappear, Riser!"<p>

"Fine if you win do whatever you like but if I win you have to marry me immediately"

"Understood. I, Grayfia, confirm both sides opinion. I will be in charge of the game between the two sides. Is that okay?"

"Yes"

"Yeah"

"Okay I will inform the two Households"

"Rias, would the ones here be your servants?"

>"Everyone except Riku" Rias said pointing her finger at me<p>

Riser then started laughing.

"Then this match will be a laugh. Only your Queen can fight on par with my servants"

Riser then clicked his fingers. The magic circle on the floor glowed. Shadows appeared from the magic circle.

"And these are my servants"

There were 15 people behind Riser who were his servants.

I then turned my head towards Issei. He was lusting towards Riser and his servants.

"He-hey Rias your servant over there is crying a lot while staring at me"

"This boys dream is to have a harem. I think he was moved after seeing your servants"

Risers servants then threw many insults to Issei.

"Don't say that my cute girls. Lets show them how close we are"

Riser then started to tongue kiss one of his servants.

"You'll never be able to do this" Riser said to Issei

"Damn it! BOOSTED GEAR!"

[BOOST]

Issei charged toward Riser recklessly.

"Mira do it"

I heard Riser and rushed infront of Issei punching Risers servant.

THUD!

Risers servant went flying hitting the wall leaving a small crater.

"I suggest that you will save the fighting for the game"

"Who are you to talk to me, you low-class devil!"

"I think you got it all wrong, you see I'm not a low-class devil, I'm a high-class devil"

"Rias who the hell is he!"

"Let me introduce myself Fried Chicken, I'm Yamato Riku from the Yamato Household that was destroyed 10 years ago"

Risers eye then started to twitch but then he started laughing.

"You from the Yamato clan, I didn't know that, that weak Household had a survivor"

I then started to get pissed off by Riser after what he said.

"Zenonia" I said softly

"What?" Riser said

My arm became covered with black scales with a blue orb and I punched Riser in the stomach. Riser coughed up blood and flew away hitting the wall like his servant.

"What was that about my Household, that they were weak?"

I then walked up to Riser and pulled his collar.

"Stop Fighting!" a voice said

"R-ravel?!" Riser said

"Tch" I let go of Risers collar and walked back to my seat

"I'm sorry for my Onii-sama's behaviour"

"It's okay just make sure he doesn't do anything like that again, or I'll shut him up for good"

Ravel then whispered something to Riser. Riser sighed and looked at me.

"Riku, if my peerage wins Ravel will be your master"

"What?!"

"Don't look at me it was Ravel's Idea"

"And if Rias wins?"

"I don't know"

"Then how about this if Rias wins then 2 people from your peerage will become my servants?"

"W-what?!"

"Do we have a deal or not?"

"Fine, we have a deal"

"10 days Rias"

"Are you giving me a handicap?"

"Are you embarrassed about it. If its you, then you should be able to improve your servants"

Riser then left.

"Riku are you sure about your decision"

"Yes, I'm sure Rias"

"What if we lose?"

"If you do then I have a trump card myself"

"And what might that be?"

"That's a secret"

"Are you going to tell Serafall-sama about this"

"Tell me what?"

I turned behind to see Sera. I explained everything to Sera and she looked sad.

"Are you sure about this Ri-tan? What if Rias loses?"

"If she does then, I'll use my trump card" I said winking at Grayfia who got the message

"Okay"

**\*\*Riku's room\*\***

My phone rang and I answered it.

"Hello"

"Riku"

"What is it Sirzechs?"

"Grayfia said that you had a trump card if Rias loses?"

"Yes if she loses on the day of the wedding, I want a little fight with Riser"

"I see, very well if Rias loses, on the day of the wedding you can fight Riser"

"Ok see you"

Sirzechs then hung up.

**\*\*\*Training day\*\*\***

\* \* \*

><p><strong>(Riku's pov)<strong>

Rias, I and the others went to the mountains in a secluded area, it turned out Rias's family owned a summer house that she was borrowing

for their training camp. There was a spell around the area to prevent humans from seeing it. Unfortunately the only way up there was a two hour hike, but I had no problem with it.

Rias, Asia, Akeno, Sera and I already made it to the top, while Kiba and Koneko were only a few metres away, but Issei was far behind.

"Issei hurry up or we'll be leaving you behind" Rias said

"Y-yes buchou"

Issei finally made it to the top and we walked to the building. Each of us went into our rooms and got ready for training.

"Rias I will be in charge of Issei's training if that's okay with you?"

"Okay, you will be in charge of Issei's training"

"Alright Issei let's go" I said dragging Issei

\*\*\*Open area near the mountains\* \*\*

"Alright Issei we're going to start by having you running around this area in a circle 5 times"

"WHAT! Riku the area is so huge!"

"Or do you rather I make you spar with me for the next 4 days non stop?"

After Issei heard that he immediately started running.

"Come on faster!"

"My legs are going to break Riku"

"I don't care run faster you only have 1 more lap"

After finishing his laps Issei was panting and panting.

"Alright Great job! Now summon your Boosted Gear"

"W-what can't I have a little break?"

"No. I am in charge of your training and you're not going to rest until I say so got it!"

"Y-yes. \*\*BOOSTED GEAR!\*\*"

"Alright I'm going to teach you to fire a shot from your hand" I said summoning Zenonia

"What kind of shot?"

I raised my hand aimed at a rock and fired a beam out of my hand destroying the rock.

"Woah! How did you do that?!"

"First raise your hand against your target, now concentrate and use the **\*\*BOOSTED GEAR\*\*** to boost your power."

**\*\*[BOOST]\*\***

"More"

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

**\*\*[BOOST]\*\***

"Now concentrate your energy and release it!"

Issei formed a ball of energy and punched it towards the rock.

"Dragon Shot!"

The rock was destroyed.

"Very good now do it again but this time make your shot bigger every time"

After 3 hours of training Issei's Dragon Shot became 4 times bigger than its original form.

"Ri-tan! Rias is asking you and Issei to stop training for today"

"Ok"

**\*\*\*Riku's room\*\*\***

"Ri-tan are you sure your going to be okay if Rias loses?"

"Yeah I'll be alright"

For the next 9 days I trained Issei to increase the size of his dragon shot until it was big enough. I also helped with Akeno, Kiba and Koneko's training as well.

**\*\*\*Night\*\*\***

"Riku"

"Rias, What is it?"

"Thank you for the past few days"

"Its no problem" I said with a smile

"Are you sure it will be okay if u became Ravel's servant?"

"Yeah it is. Listen I'm leaving tomorrow morning"

"Where are you going?"

"I have a important meeting with someone"

"Does Serafall-sama know?"

"Yeah she does"

"Are you coming to watch the game?"

"Unfortunately I can't but good luck"

"â€|.Oh okay, thanks"

\*\*\*5 AM\*\*\*

I packed up my things and kissed Sera's forehead before leaving. I teleported to heaven and went to meet Michael.

"So what did you want to talk about Michael?"

"Are you still after Heine?"

"Why are you asking?"

"Can I not?"

\*Sigh\* "Yes I am"

"Are you sure you still want to hunt him?"

"Yes I will and no one can stop me, not even you Michael"

"Calm down, Riku"

"I am calm. If there isn't anything else you want to talk about I'll be leaving"

"Do you know who is Irina Shidou?"

"â€|..Yeahâ€|.." I said leaving

\*\*\*Time skip\*\*\*

After I had finished everything I wanted to do I teleported myself to see Rias's game even if it finished. When I teleported I heard Grayfia's voice

"Rias-sama has forfeited, Winner Riser Phenex"

I looked at the battle field to see why Rias had forfeited, I saw Issei heavily injured and on the ground unconscious.

"â€|.They lost"

"There you are!"

I turned around to see Riser's sister Ravel.

"Oh I guess you're my master now?"

"Yes that's right, and I'm here to collect you, now lets go"

"Yes, Ravel-sama"

I looked at Rias and the others one more time before leaving.

\*\*\*Phenex Household\*\*\*

"So what do you want me to do Ravel-sama?"

"It's already night time so you can't really do anything"

"I see, do you have a large open area around here?"

"Yes, why?"

"I want to run, don't get me wrong here I want to run but not run away"

"If it was in the morning I would let you go butâ€|"

"I promise I won't run away, that would turn me into a stray wouldn't it?"

"I guess so.."

"Alright I'll be back in an hour or two" I said as I clicked my fingers using magic to change into my running attire.

\*\*(Ravel's pov)\*\*

It had been 15 minutes since Riku left, I was worried that he would actually run away so I went to check on him. I saw him running around surprisingly fast.

"So he really is running around" I said to myself

Suddenly his speed accelerated and he became even faster until I could only see his afterimages.

"â€|..So fastâ€|"

It had been half an hour since I started watching him. I started getting drowsy and I fell asleep watching him.

\*\*(Riku's pov)\*\*

After I finished I saw Ravel sleeping beside a rock. I laughed and carried her back to her room.

\*\*\*Next Day\*\*\*

\*\*(Ravel's pov)\*\*

When I woke up I was back in my room. I looked around and saw Riku sleeping on the floor. I poked his cheek.

"Hey wake up"

"Hmmm, what?"

"Wake up"

"Okay"

"Go take a shower you reek"

"â€|.Meanieâ€|."

"What did you say?"

"Nothing"

\*\*(Riku's pov)\*\*

\*\*\*Shower\*\*\*

\*sigh\* "Should I go cheek on Issei? I guess I can't since I'm here now"

I took a shower and went out.

"So what do you want me to do Ravel-sama, cook, clean fold clothes?"

"The maids will do that so don't worry about it"

"I know this is a bad time but can I go visit my friend your brother beat up?"

>"I don't knowâ€|.."<p>

"Please"

"Fine, only for a while"

"Thank you" I said hugging her"

\*\*\*SMACK\*\*\*

"Don't hug me at of the blue baka!"

"Ow"

\*\*\*Hyoudou Resident\*\*\*

\*\*\*Knock Knock\*\*\*

"Coming!"

"Yo Asia"

"Riku-san?!"

"Where's Issei?"

"He's resting"

"Can I see him?"

"Yes"

\*\*\*Issei's room\*\*\*

"Issei. I hope you heal up soon"

"Riku?"

"Issei don't talk right now just rest"
